God Sent the Savior

NAME: _____

Basic Instructions: Draw a line to match the pictures on the left side of the page with the corresponding Bible scene on the right side of the page.

Even More Fun: Cut out all the pictures and practice matching them again.

Ultimate Fun: Choose your favorite three pictures. Ask your leader to punch a hole at the top of each and tie one end of a piece of yarn through the hole. Tie the other end of the yarn around a paper towel tube to hang the pictures on the tube. Thread a longer piece of yarn through the tube and tie the ends together. This becomes the hanger for a mobile.
